LinkedIn: [linkedin.com/in/bruno-ottonelli/](https://linkedin.com/in/bruno-ottonelli/)

## Languages

Español (native)

English (fluent, B1 certified)

## Programming languages

Python      SQL

C            Visual Basic

## Libraries & Tools

TensorFlow	Numpy
Keras	Matplotlib
Pandas	Seaborn
Scikit-learn	OpenCV
Git y GitHub	Pytorch Geometric
GNN	

## About Me

I am an advanced student of Communication Systems Engineering, with a strong focus on machine learning and a solid foundation in Python, mathematics, and data structures. I am proactive, organized, and highly adaptable, with a strong commitment to continuous learning.

I am seeking to join a dynamic team where I can apply and further develop my skills, collaborate with other professionals, and grow in the field of artificial intelligence while completing the final stages of my degree.

## Education

**Communication Systems Engineering** (prof. degree)

**Specialization: Signals and Machine Learning**

Facultad de Ingeniería, UdelarR.

2017 - present

## Certifications & Technical Courses

### Git and GitHub from Scratch

Git fundamentals, common commands, best practices, and GitHub Actions through real-world exercises.

2025 / *Mouradev.pro*

### Neural Networks and Deep Learning

Introduction to key deep learning concepts and neural network implementation using Python.

2024 / *DeepLearning.AI, Andrew Ng*

### Pandas

Hands-on training in data manipulation and analysis with Python's Pandas library.

2024 / *Kaggle*

### Commercial Assistant Training

Customer service, sales, and workplace relationship skills.

2016 - 2017 / *Fundación Forge*

## Work Experience

### Junior Engineer Assistant

2020 - Present

UTE / ST Consultores

Develop solutions in Visual Basic, manage technical documentation, and perform stock analysis.

### Swimming Referee

2014 - 2019

Federación Uruguaya de Natación

Officiated and helped organize swimming competitions.

### Customer Service and Cashier

2017 - 2018

Hípica Rioplatense Uruguay

Handled customer service and operated cash registers during sporting events.
